OBJECTIVE

A Computer Science and Cyber Security undergraduate with strong skills in programming, system security, and problem-solving. Seeking opportunities to apply technical expertise, gain industry experience, and contribute to innovative projects.

EDUCATION

- **Bachelor of Technology in Computer Science & Cyber Security** 2022 - 2026
Bharat Institute of Engineering and Technology (JNTUH Affiliated) **8.2 CGPA**
Relevant Coursework : Problem Solving, Object Oriented Programming, Database Management Systems, Operating Systems
- **Intermediate 10+2** 2020 - 2022
Sri Chaitanya Junior College **80%**
Relevant Coursework : Mathematics, Physics, Chemistry
- **Secondary Education - 10th Class** 2020
New Little Flower's High School **9.5 GPA**

SKILLS

| | |
|------------------------------|--|
| Programming Languages | Java, Python, SQL |
| Computer Science Core | OOPS, DBMS, Operating Systems |
| Technical Skills | Security Operations Center(SOC) , Cyber-security, Git, Linux |
| Soft Skills | Leadership, Public Speaking |

PROJECTS

Career Hub BIET. Developed a full-stack MERN web application for campus recruitment where companies/admins can post jobs and students can apply through their accounts.

- Built using **MERN stack (MongoDB, Express, React with Vite, Node.js)** with secure JWT-based authentication and role-based dashboards.
- Implemented features for job posting, student applications, and real-time tracking of application status.
- Designed responsive UI with React and managed REST APIs for seamless frontend-backend integration.

Short Project Title. Build a project that does something and had quantified success using A, B, and C. This project's description spans two lines and also won an award.

Short Project Title. Build a project that does something and had quantified success using A, B, and C. This project's description spans two lines and also won an award.

CERTIFICATIONS

- **Programming in Java - Infosys Springboard** Link
Skills : Java, Object Oriented Programming
- **Security Operations Center SOC - Cisco** Link
Skills : Security Operations Center

ACHIEVEMENTS

- Awarded for securing the **highest CGPA in the Computer Science & Cyber Security department** at Bharat Institute of Engineering and Technology.
